## About the Institutions

**The Modern Institute of Teacher Education, Kohima** was established in the year 2009 with the motto "True Education". The founder's (Late Dr. S. Hekha Mao), vision, initiative and perseverance resulted into not only the establishment of MITE alone but also paved the way for the other private B.Ed. colleges in the hilly regions of Nagaland by clearing the decks of the NCTE provisions which had placed hurdles across the establishment. Since the first year, MITE has been standing high with the highest result statistics constantly, the highest number of highly qualified teachers and the use of innovative approaches to teacher education. AAA Accredited with Grade 'B+' by Directorate of Higher Education.

**The Modern College, Piphema** is a co-educational undergraduate institution located on a sprawling 102-acre campus along the Dimapur - Kohima National Highway 29 in Nagaland. **Established** in July 1, 1997, by founders late Dr. S. Hekha Mao and Mrs. A. Kaisa. Affiliated with Nagaland University and recognized by the UGC. NAAC Accredited with Grade 'B' and AAA Accredited with Grade 'B+'.

## About the Seminar

This seminar focuses on Building a Future Ready India and its reflections through Viksit Bharat 2047. The "Amrit Kaal (Era of Elixir)" the 25-year lead-up to 2047 represents a historic window of opportunity for India. With a median age of 29, India's demographic dividend is its greatest asset. However, to comprehend the goal of a "Viksit Bharat" (Developed India), this demographic must be empowered with 21st-century skills. The National Education Policy (NEP) 2020 serves as the introductory

framework to achieve this, changing the focus from "what to think" to "how to think." Additionally, this seminar highlights Northeastern perspectives across critical domains, including education, research, and technology.

## Key Objectives

1. Understanding the different views of the intellectuals on Multidisciplinary Education.
2. Identify strategies for the effective ground-level implementation of National Education Policy 2020.
3. Evaluate the role of disruptive technologies in scaling quality education.
4. Recommend a roadmap for "Bharat" to turn out to be the "Skill Capital of the World."
5. Discuss curriculum adaptation, assessment practices, and integration of technology in multidisciplinary classrooms.
6. Generate actionable recommendations for policy reforms, curriculum design, and educational planning.

## Sub themes

1. ICT Curriculum in Teacher Education and Higher Education
2. Blended Learning/Flipped Classroom/LMS/SWAYAM
3. STEAM Education
4. Entrepreneurship, Start-up & Stand-up and Vocational Skills
5. Foundational Perspectives of Education
6. Pedagogical Approaches & Curricular Aspects

7. Continuous Professional Development
8. Values and Ethics in Education
9. Action Research for Classroom Innovation
10. AI Tools for Education & Research
11. Multidisciplinary Education & Research Universities (MERUs)
12. Inclusive Education
13. Indian Knowledge Systems
14. Nari Shakti (Women's Empowerment) and Education
15. Good Governance and Security
16. Sustainable Economy and Skill Development in Northeast India
17. Empowerment and Culture
18. Health and Sports
