1 THE FOUNDER

Modern Institute of Teacher Education (MITE) is the result of the vision of the founder Late Dr. S. Hekha Mao.

Late Dr. S. Hekha Mao was born on March 1, 1950 in Shajouba Village, Senapati District, Manipur: Having completed his schooling at Mao Maram High School, Tadubi, he went to D. M. College, Imphal for his P.U. Science.

He then came to Kohima Science College, Jotsoma for his B. Sc. where he was also elected the first General Secretary of the Students Union.

While studying at Kohima Science College, he was selected for the B. V. Sc & A.H. course at JNKVV, Jabalpur, Madhya Pradesh.

Education was something that was always close to his heart and he went on to pursue other fields to enhance his knowledge:

- i. M. Sc in Animal Breeding. (Punjab Agricultural Univ. Ludhiana)
- ii. M. Sc in Homoeo. (Premier Homoeopathic Medical College, Chandigarh)
- iii. M. D. in Homoeo. (Premier Homoeopathic Medical College, Chandigarh)

He joined the Veterinary and Animal Husbandry Department, Govt. of Nagaland and served in various capacities including one as the Principal of Veterinary Field Assistant (V.F.A.) Training Institute, Medzhiphema. He retired as the Director of the Department in February 2007.

A social activist at heart, his concern for the society took him towards the path of education. In 1997, Modern Academy and Modern College were born with the motto “True Education”. He realized that teachers without adequate training are unable to motivate students and cannot create a conducive atmosphere in the classroom. Therefore, seeing the gap in the teaching process, Late Dr. S. Hekha Mao envisioned that Teachers need to be trained for the quality of education in our state to improve.

In 2008, his pursuit to establish MITE started. When some provisions of the NCTE Act prevented the establishment of Private Teacher Education Colleges in the hill district of Nagaland, his effort through Litigation in the court was a significant achievement that initiated the establishment of Private B.Ed. Colleges in Kohima. Sadly, he did not live long enough to see the commencement of the institute as he passed away on February 28, 2011. MITE formally opened on March 1, 2012, on the 62nd birth anniversary of the founder, as the fourth B.Ed. College of Nagaland and first Private B.Ed. College in Kohima. The work is now being continued by his wife, Mrs. A. Kaisa heading as the Chairperson of the Society.

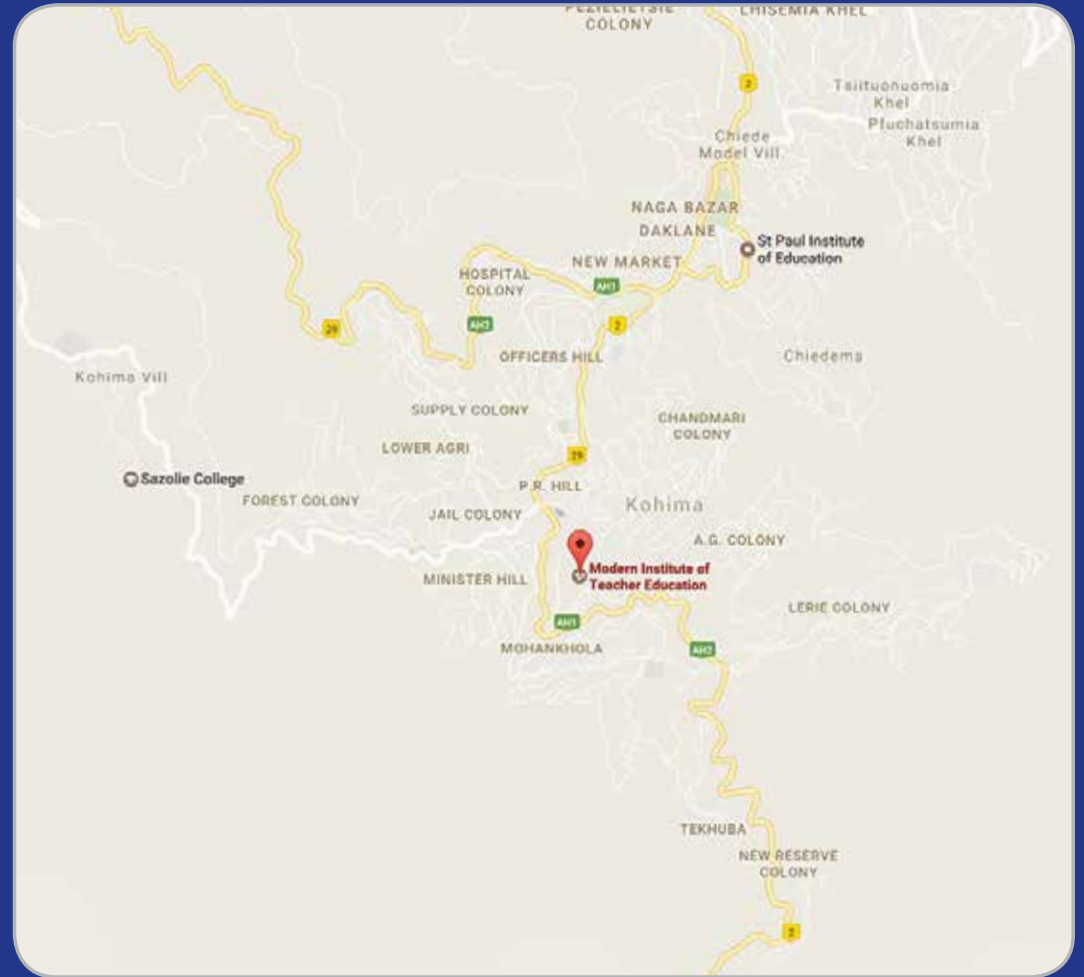

With each passing day, we believe we are moving one step closer to our Motto “True Education”.

“He took the road less travelled, for you.”
