

Feedback Report

Semester-II (May,2023)

Dr. Jaganmohana Rao Gurugubelli
MITE, Kohima

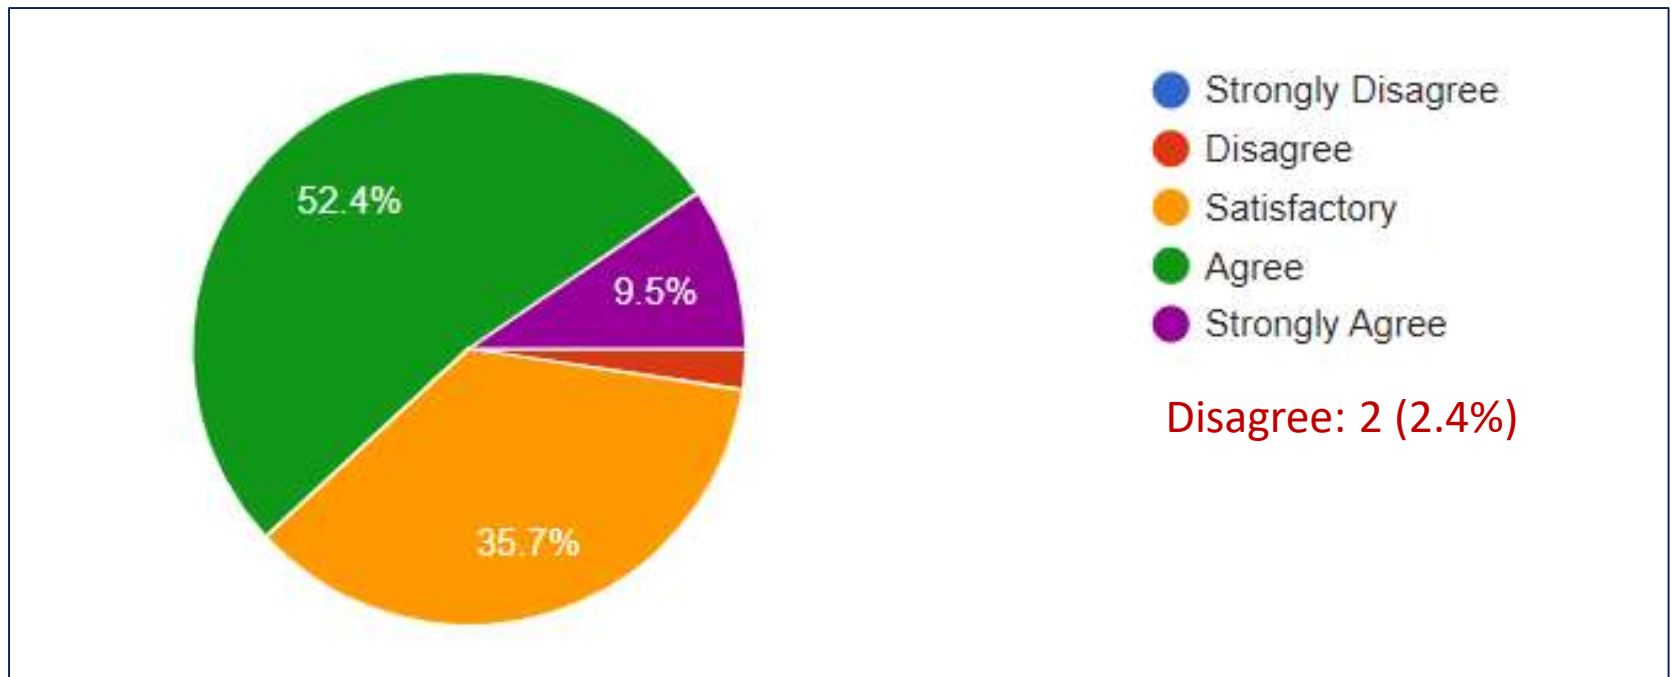

Total Number of Respondents: 84

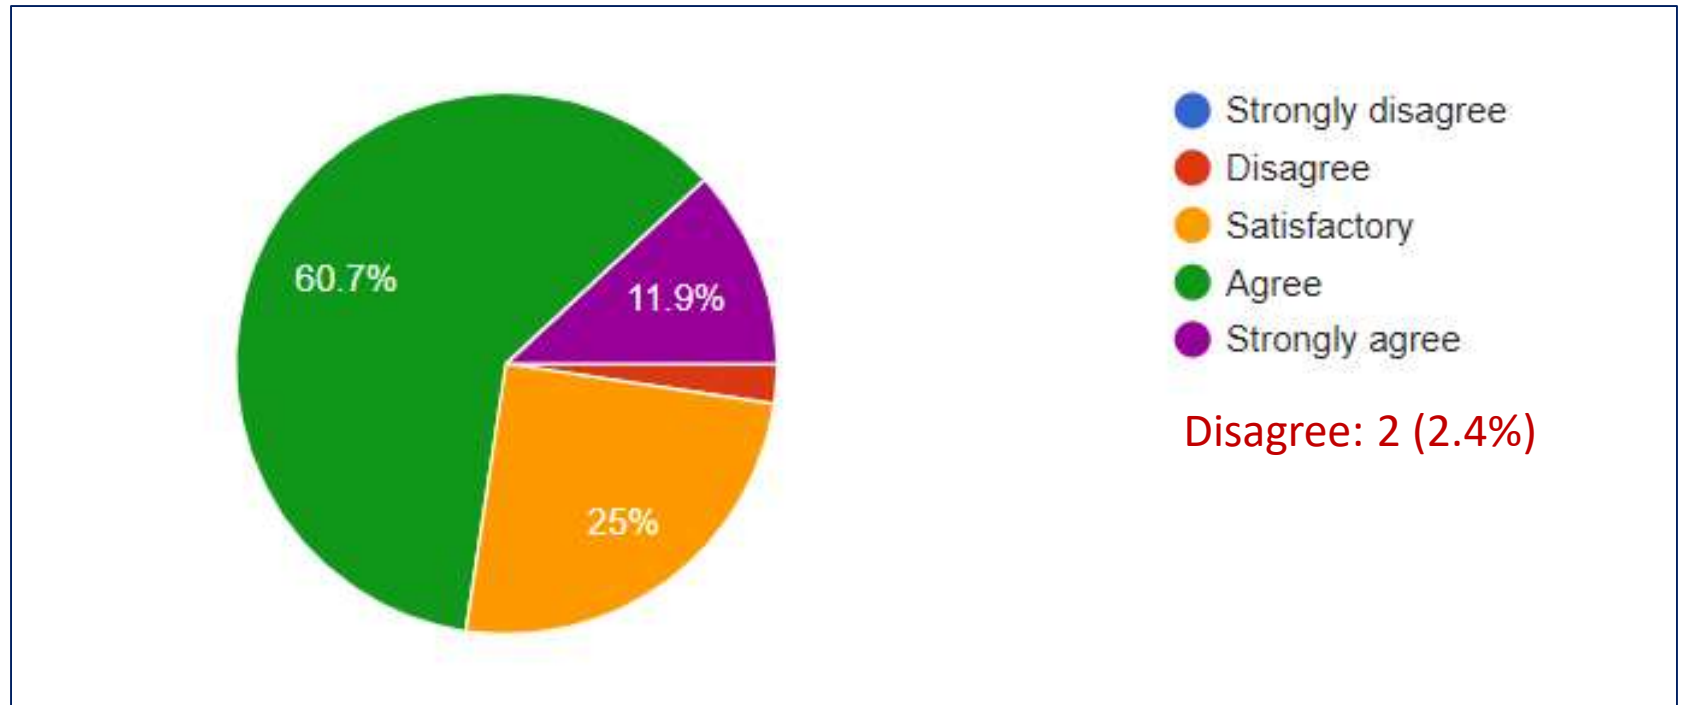

Number of Respondents as per the respective pedagogy

Pedagogy of English:	17
Pedagogy of Social Science:	36
Pedagogy of Science:	17
Pedagogy of Mathematics:	14

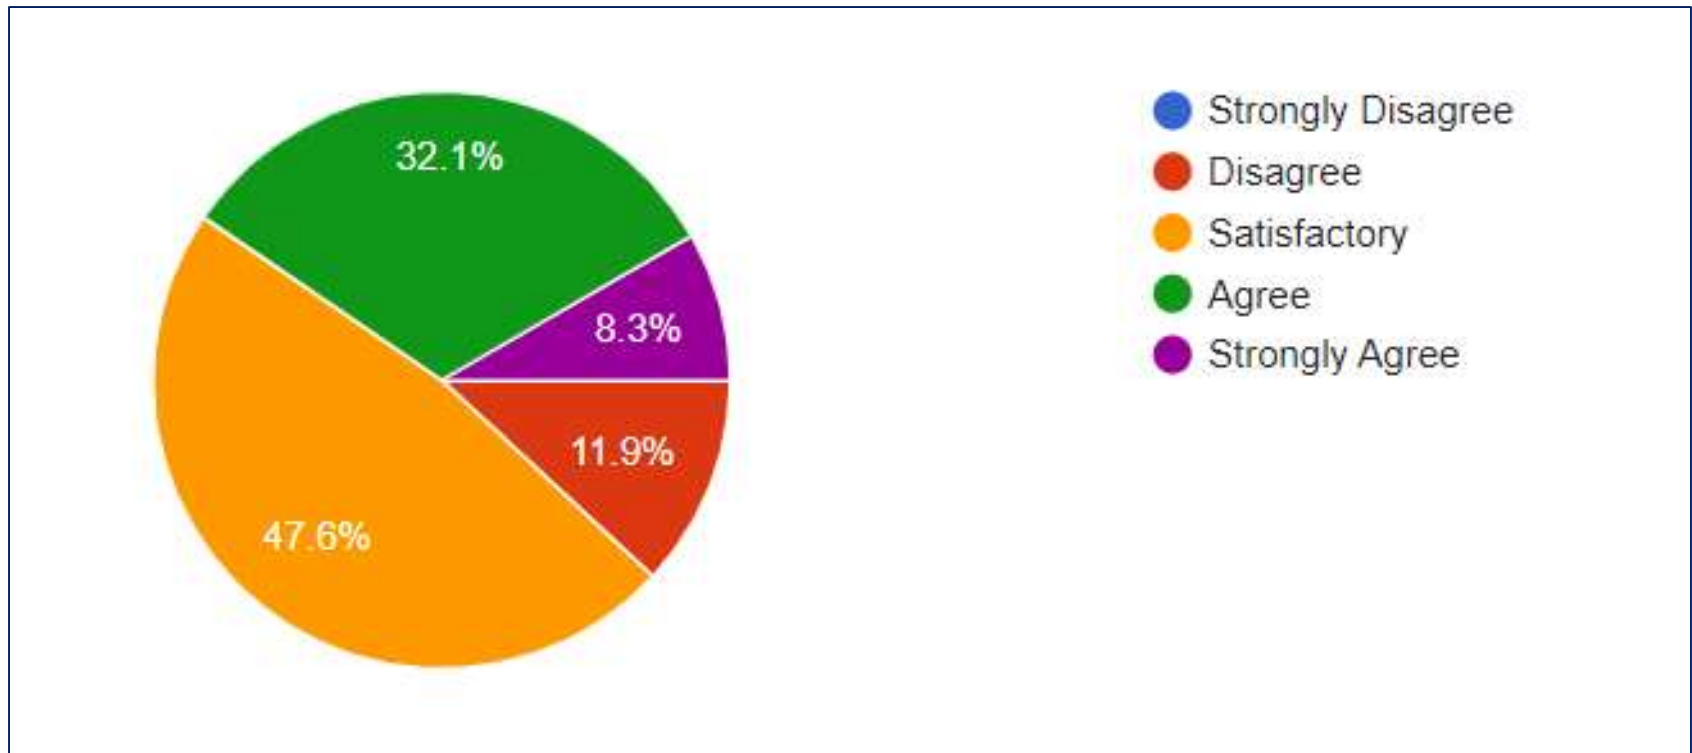

1.The teacher educator has mastery over the course content.

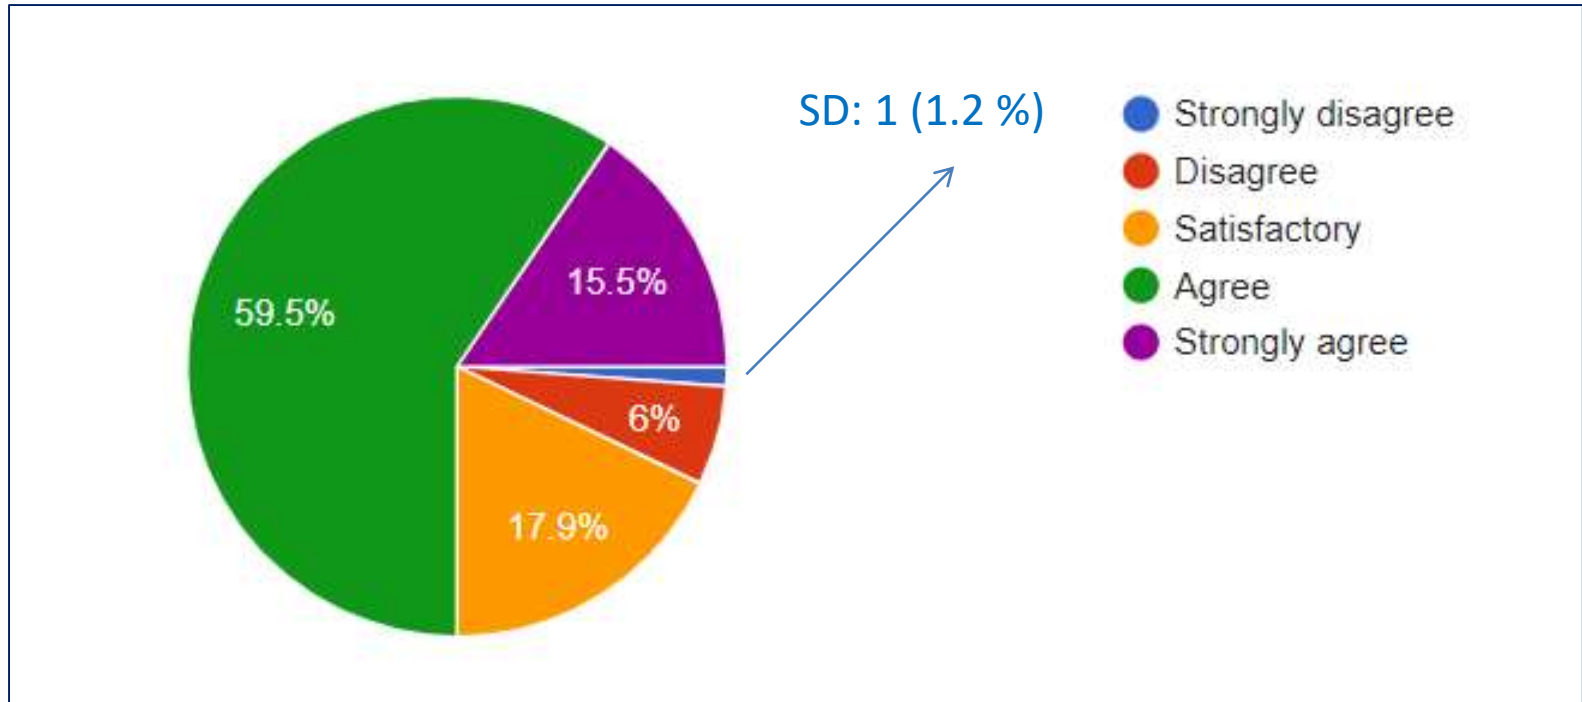

2. The teacher educator linked the subject to real life experiences and created interest in the subject.

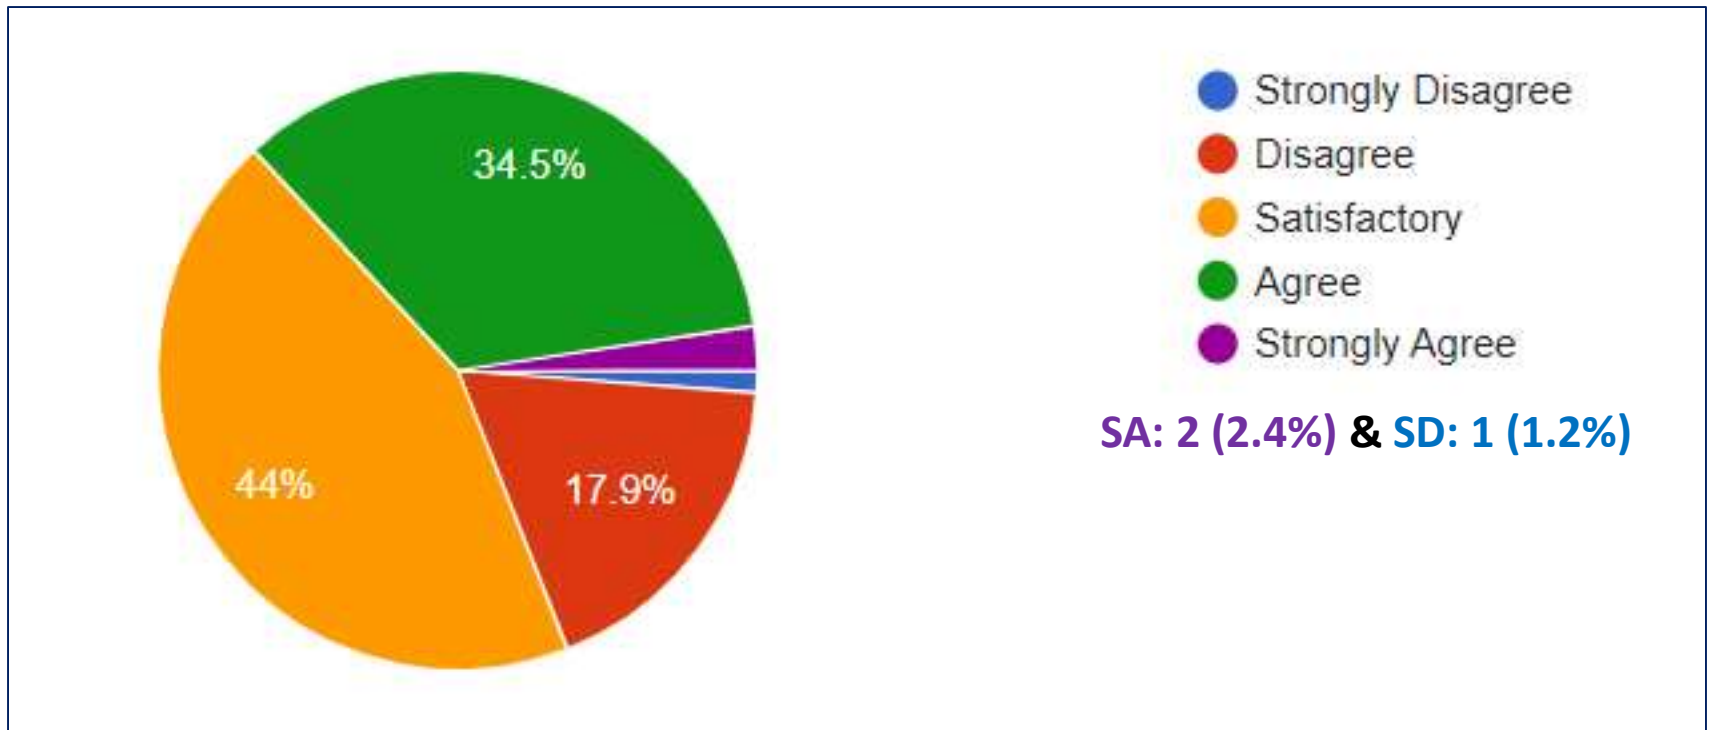

3. The teacher educator provided guidance/counseling in academic and non-academic matters in and outside the class.

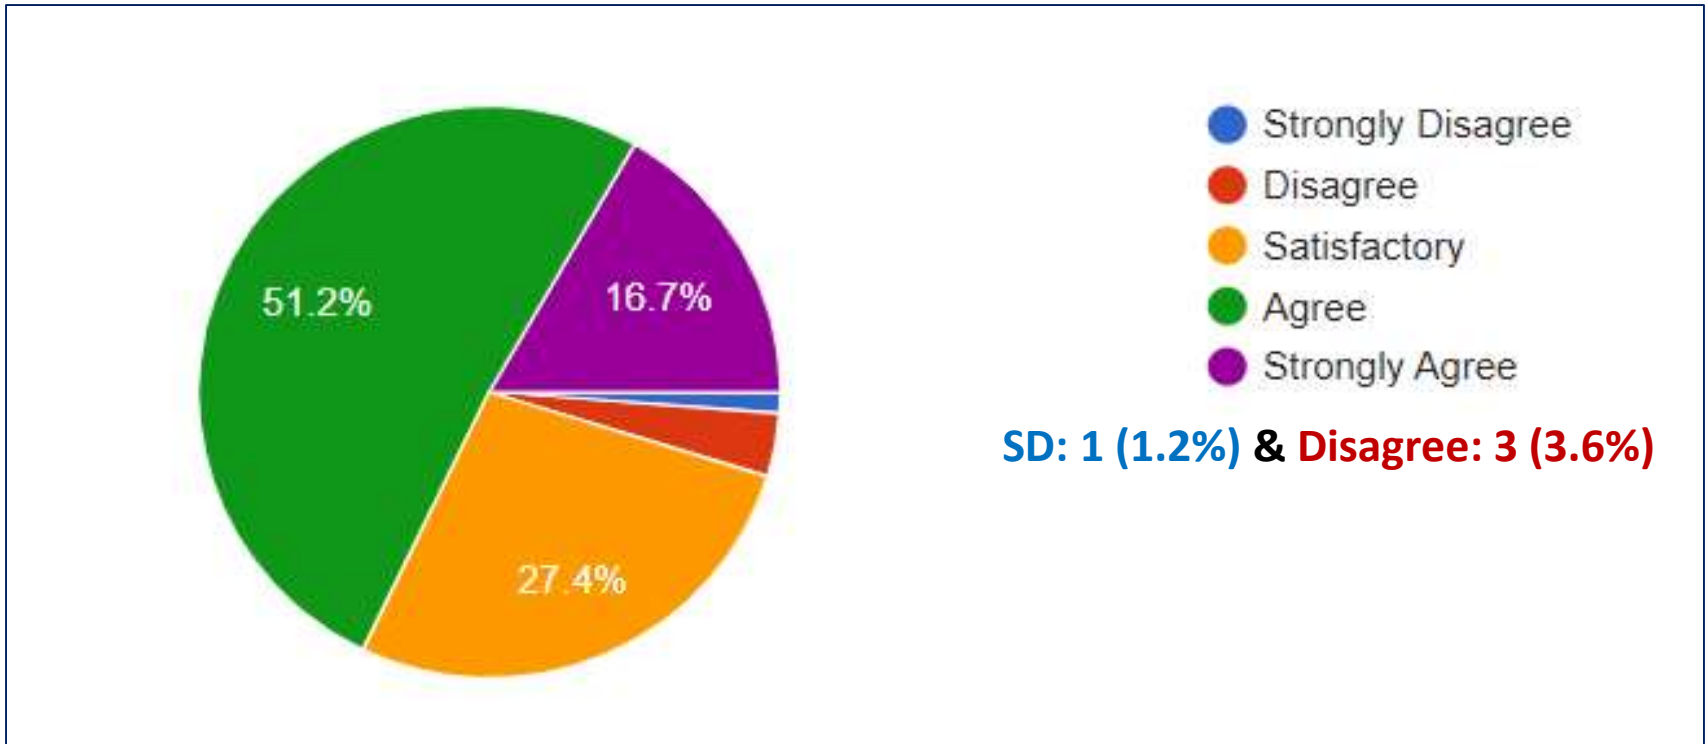

4. The teacher educator used innovative approaches and promotes the interactive process in teaching.

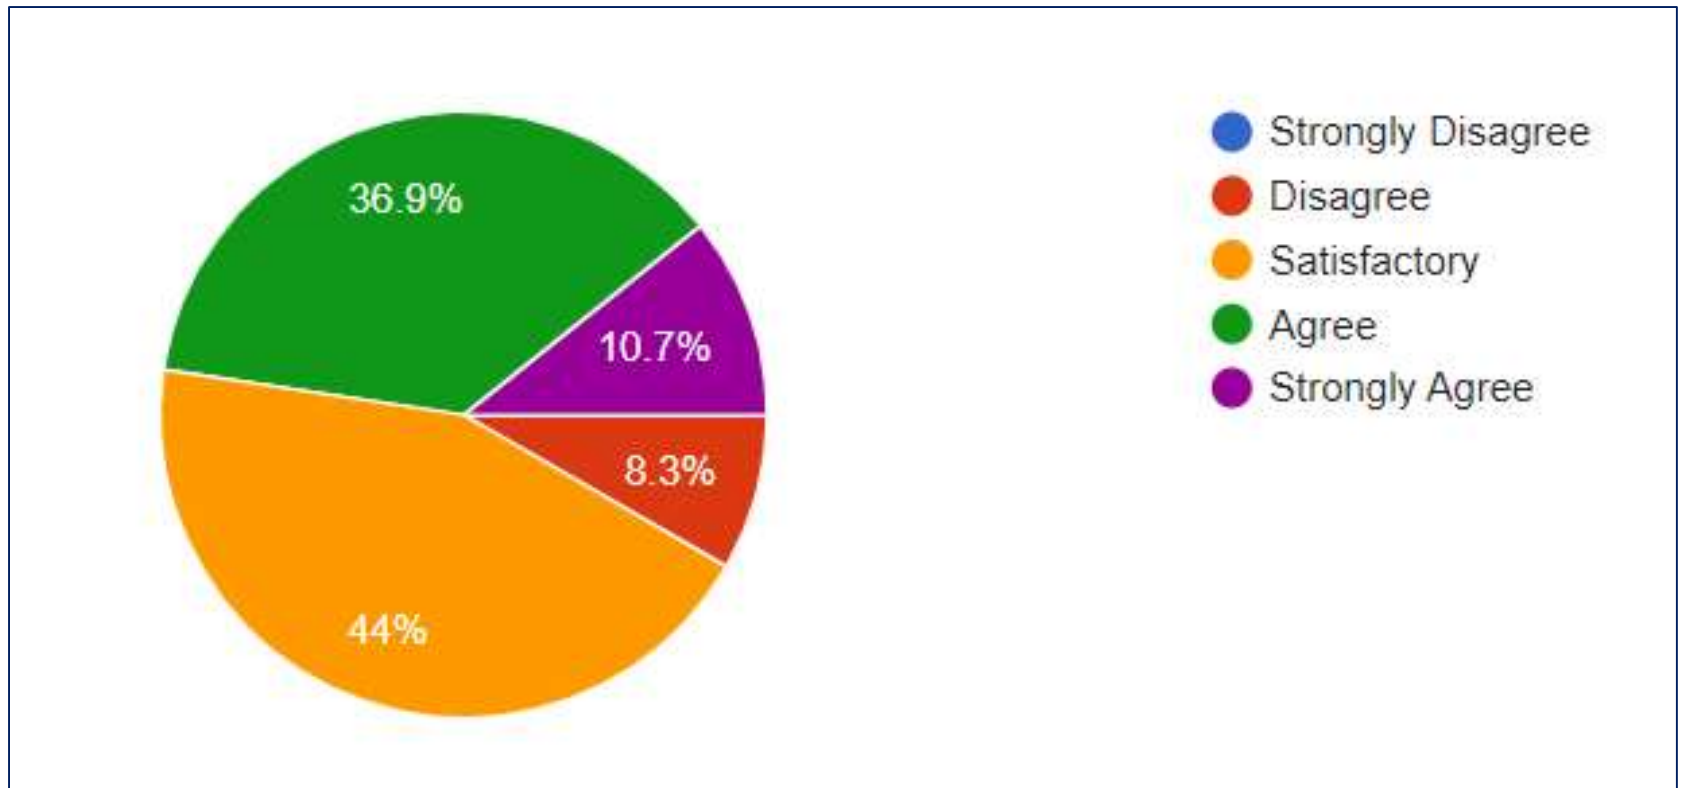

5. The teacher educator presented/provided course material in a clear manner that facilitated understanding.

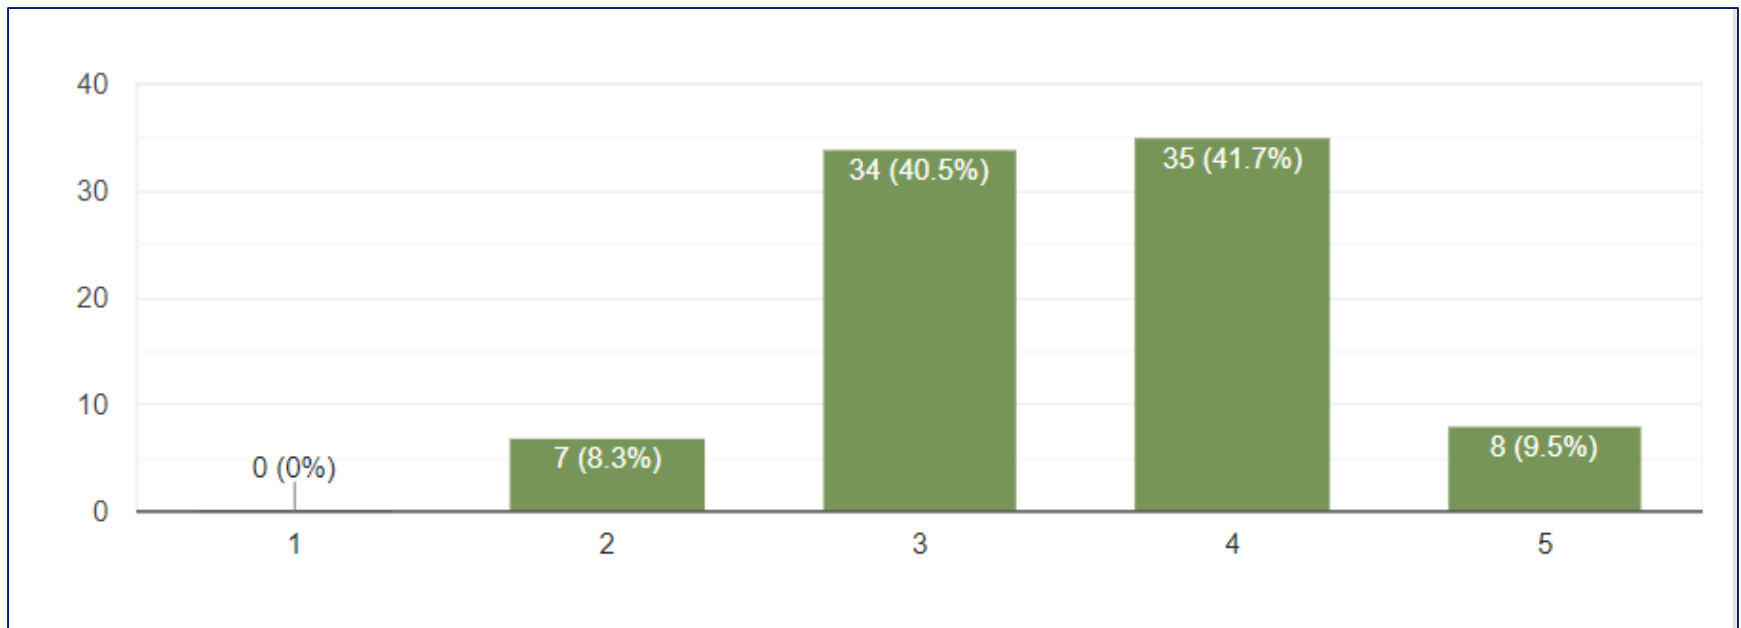

6. The schedule of the whole semester was completed as per the academic calendar.

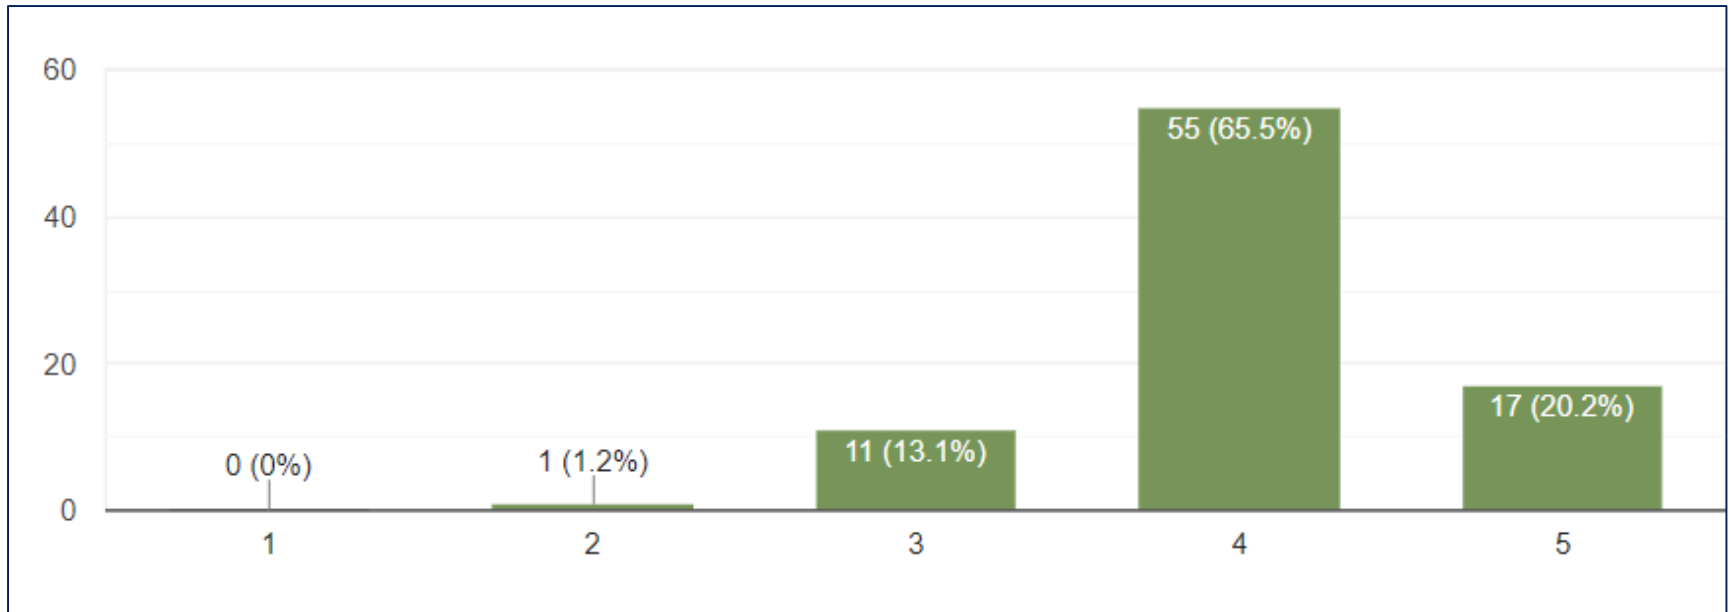

7. The schedule of the whole semester was completed as per the academic calendar.

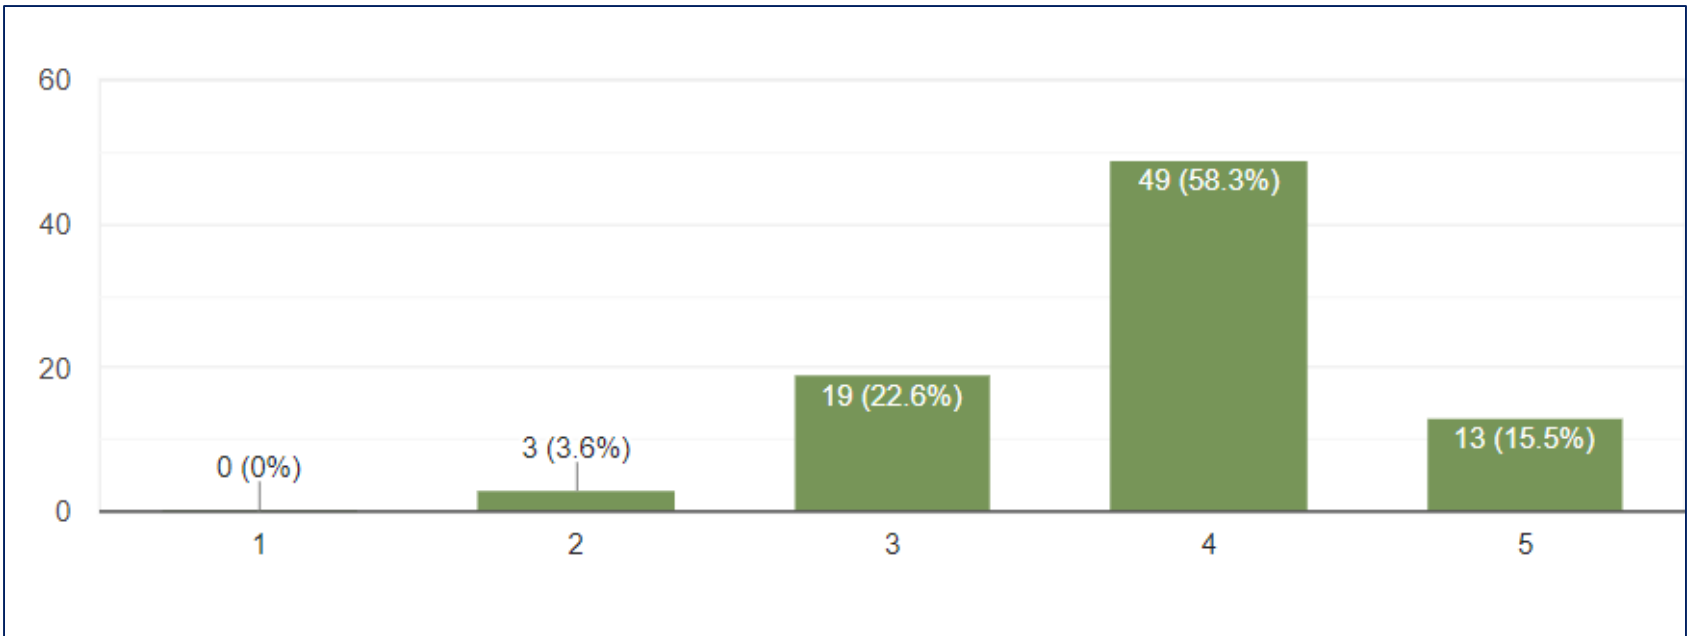

8. Course-5: Overall Grading (Course Coverage, Facilitating the Classroom, Providing Material, Evaluation & Guidance)

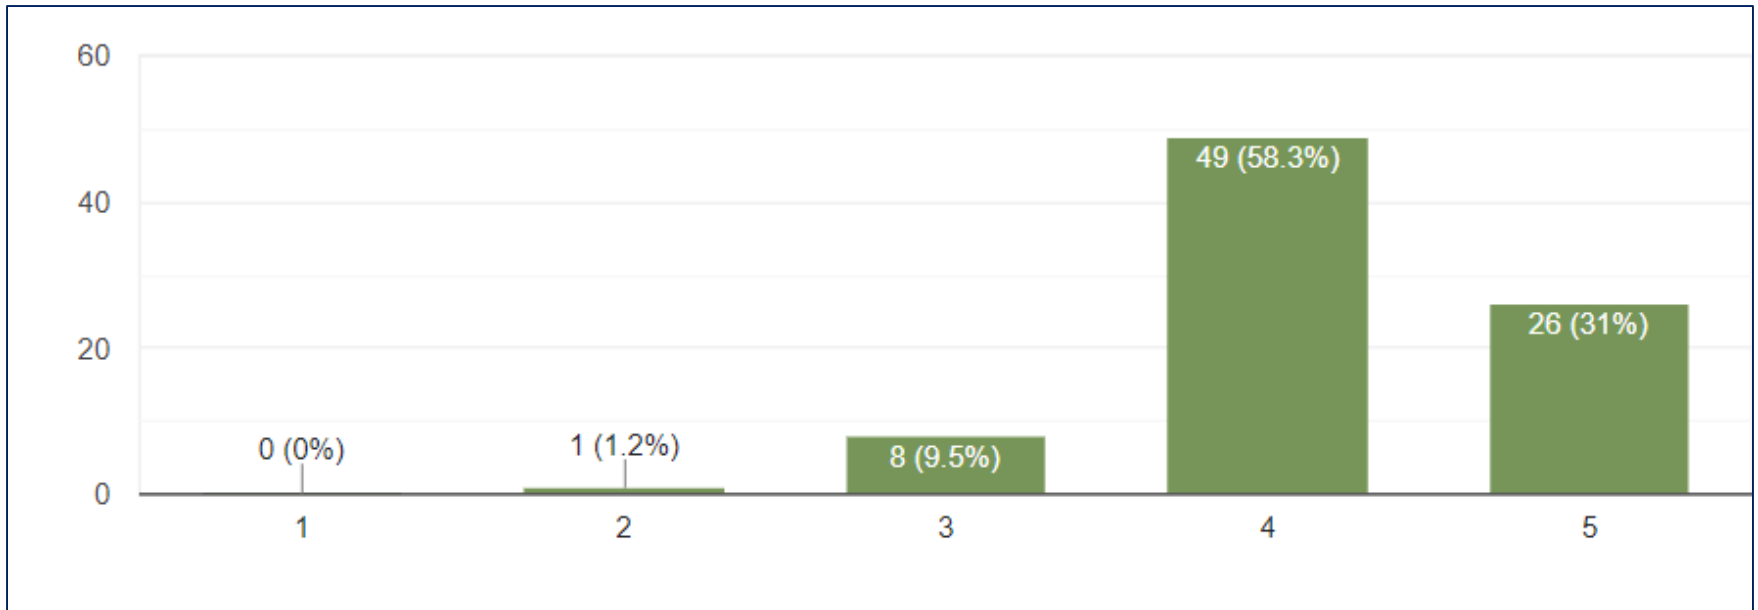

9. Course-6: Overall Grading (Course Coverage, Facilitating the Classroom, Providing Material, Evaluation & Guidance)

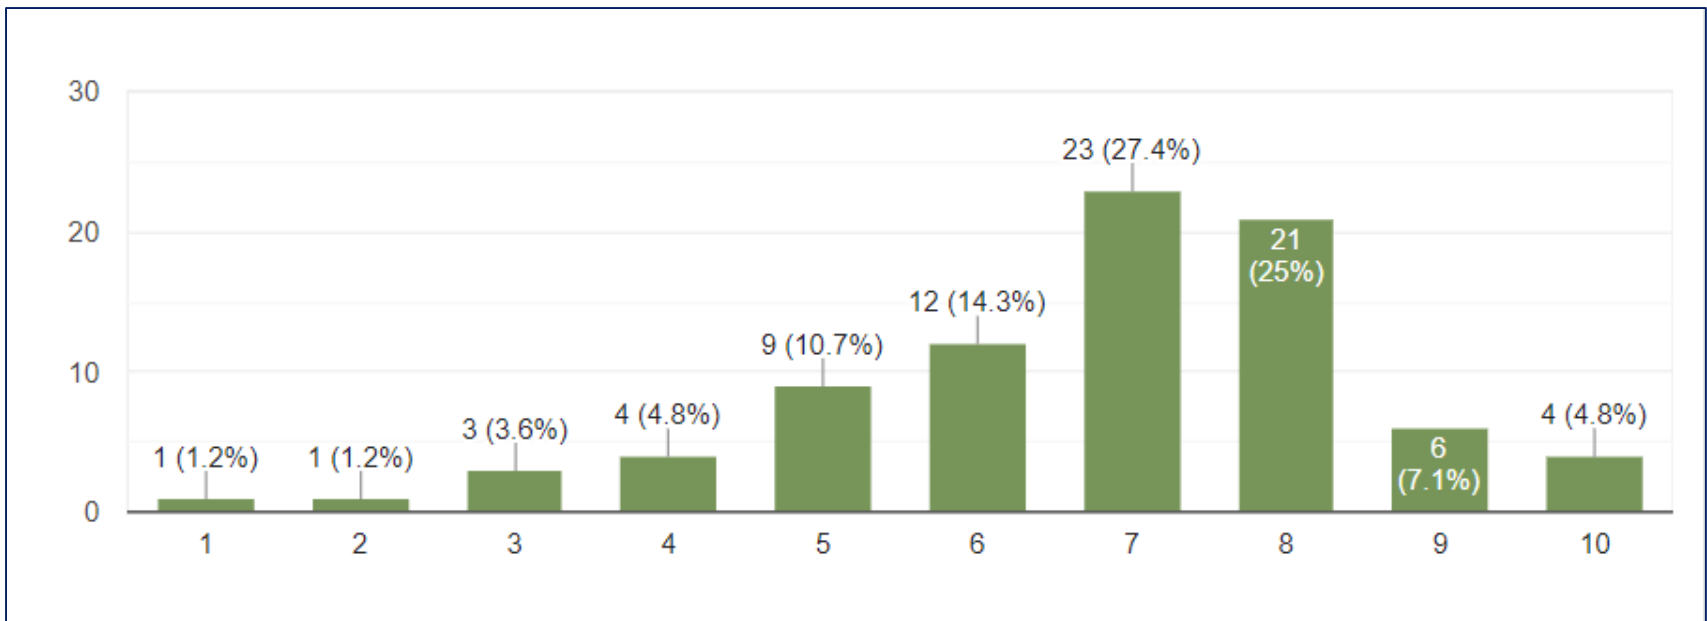

10. Course-7A: Overall Grading (Course Coverage, Facilitating the Classroom, Providing Material, Evaluation & Guidance)

11. EPC: Overall Grading (Course Coverage, Facilitating the Classroom, Providing Material, Evaluation & Guidance)

12. Overall, how you would rate the quality of teaching & learning environment at College.

13. As per your observation and experiences Please give your comments & Suggestions related to any specific area.

1. I suggest the institute update the books in the library. Newer version(s) of syllabus-related books would be great!
2. The rule about marking a Student-Teacher absent for the whole day if he/she does not attend the first period should be reconsidered, provided the Student-Teacher is late because of genuine reasons.
3. Teacher should win the heart of the student so that they will remember him/her for life time
4. I would like to suggest that work loads should not be given all at once in a specific time. For instance submission of epc journal along with pre semester exam and mock Viva etc

5. For any papers, if we could get proper reading materials as most of the topics cannot be found even in the library
6. The College needs a strong organised academic calendar (unless circumstances arises from NU).The program becomes too hectic and people like me who have mental problems can go under stress and anxiety.
7. Just like how we were given materials in Google classroom in First semester in course 2,1 and 4 , i wish even materials were provided in Assessment for learning subject via Google classroom and also course 7 pedagogy via Google classroom .Other than that I'm satisfied
8. It will be convenient and cause less confusion for the student-teachers if proper general format or guidance related to pre-internship or internship report writing and ppt presentation are given by the concerned authorities in the future.

Thank you...
