The Founder

Modern Institute of Teacher Education (MITE) is the result of the vision of the founder Late Dr. S. Hekha Mao.

Late Dr. S. Hekha Mao was born on March 1, 1950 in Shajouba Village, Senapati District, Manipur: Having completed his schooling at Mao Maram High School, Tadubi, he went to D. M. College, Imphal for his P.U. Science. He then came to Kohima Science College, Jotsoma for his B. Sc. where he was also elected the first General Secretary of the Students Union.

While studying at Kohima Science College, he was selected for the B. V. Sc & A.H. course at JNKVV, Jabalpur, Madhya Pradesh.

Education was something that was always close to his heart and he went on to pursue other fields to enhance his knowledge:

- i. M. Sc in Animal Breeding. (Punjab Agricultural Univ. Ludhiana)
- ii. M. Sc in Homoeo. (Premier Homoeopathic Medical College, Chandigarh)
- iii. M. D. in Homoeo. (Premier Homoeopathic Medical College, Chandigarh)

He joined the Veterinary and Animal Husbandry Department, Govt. of Nagaland and served in various capacities including one as the Principal of Veterinary Field Assistant (V.F.A.) Training Institute, Medzhiphema. He retired as the Director of the Department in February 2007.

A social activist at heart, his concern for the society took him towards the path of education. In 1997, Modern Academy and Modern College were born with the motto “True Education”. He realized that teachers without adequate training are unable to motivate students and cannot create a conducive atmosphere in the classroom. Therefore, seeing the gap in the teaching process, Late Dr. S. Hekha Mao envisioned that Teachers need to be trained for the quality of education in our state to improve.

In 2008, his pursuit to establish MITE started. When some provisions of the NCTE Act prevented the establishment of Private Teacher Education Colleges in the hill district of Nagaland, his effort through Litigation in the court was a significant achievement that initiated the establishment of Private B.Ed. Colleges in Kohima. Sadly, he did not live long enough to see the commencement of the institute as he passed away on February 28, 2011. MITE formally opened on March 1, 2012, on the 62nd birth anniversary of the founder, as the fourth B.Ed. College of Nagaland and first Private B.Ed. College in Kohima. The work is now being continued by his wife, Mrs. A. Kaisa heading as the Chairperson of the Society.

With each passing day, we believe we are moving one step closer to our Motto “True Education”. “He took the road less travelled, for you.”

2 Location

Modern Institute of Teacher Education (MITE) is located at A.G. Road, adjacent to Modern College in the heart of Kohima, the beautiful capital town of Nagaland, 74 km away from Dimapur that connects the rest of the country via Railways and Airways. Dimapur-Kohima road provides a rare opportunity for a comfortable and joyful driving for 3 hours across a beautiful landscape through the hills. The college is easily accessible by city bus or taxi.

All types of programme, both scholastic and non-scholastic, will be conducted as per the **Academic Calendar** throughout the session. Academic calendar will be available on the college website:

www.emite.co.in

8 Laboratories

The College has well equipped laboratories for ICT, Science and Psychology. The ICT Lab is equipped with Wi-Fi facility, Computers, Interactive Board and Projector.

9 Club

There are six clubs namely Aesthetic, Cultural, Current-Event, Ecological, Literary and Red Ribbon. Every Student-Teacher is expected to be a member of a club.

10 Houses

Student-Teachers are divided into four houses. Every Student-Teacher is expected to be a member of a house. The house is mainly distributed for games & sports purposes.

11 IQAC

The college has Internal Quality Assurance Cell (IQAC) with a co-ordinator to look into the internal quality and activities of the institute. The Institute is working to proceed for Assessment and Accreditation.

12 Attendance

As per the NCTE, the minimum attendance of Student-Teachers shall have to be 80% for all course work and 90% for school internship failing which the discontinuance of the course will be attracted. Student-Teacher who fails to attend his/her classes over a certain period of time at a stretch on a reasonable and acceptable ground (such as accidents and its related treatments, serious diseases or death of near and dear ones) must apply immediately to the Vice Principal for consideration or examination of the absence for the period.

Attendance and participation in all the practical works, seminars, curricular and co-curricular activities will be taken into account regularly for the continuous and comprehensive evaluation related to internal assessment.

13 Library

The Library of the college is digitalized with KOHA and well equipped with a good number of text books, reference books, journals, newspapers, computer Wi-Fi facility, INFLIBNET, Photocopy Machine etc. catering to the needs of the trainees and faculty as well. Reading room is comfortably spacious and well furnished. Separate library periods are provided in the college time table. Every year the library attempts to add at least 10% more books, magazines and journals in the academic as well as general interest sections.

14 MITE Publications:

The College brings out college magazine every year which contains events, reports, stories, poems, essays, articles and news. It reviews the educational, Co and extra-curricular activities of the institution. Moreover, the College also publishes Bi-monthly Bulletins.

Annual Magazine and **Bi-monthly Bulletins** are prepared by the Student-Teachers belonging to Literary Club under the guidance of Faculty in charge, Literary Club.

MITE also publishes Annual Refereed Journal under the registered ISSN 2582-1768 name of **MITE Journal of Education** which publishes research papers and research articles. It is taken care by the Research & Development Cell of MITE.

15 Canteen

The College Canteen is a large spacious area, with a view of greenery and a flowing stream, a variety of refreshments and meals are available. It tends to be a popular place on campus, not only for physical refreshment but also for student bonding, discussions and even work on assignments and projects. An attractive RCC bridge joins the canteen with the College.

16 College Uniform

The College also provides uniform to all the Student-Teachers. It is available in two forms as **White Polo T-shirt** and **Black T-shirt** with different sizes. Student-Teacher can buy any of his/her choice from the different types of shirts.

17 Alumni Association - MITEKAA

The Organization “Modern Institute of Teacher Education Kohima Alumni Association (MITEKAA)” was established in 2012 to provide ex-mitean with a platform to bond with their Alma matter and their classmates. The organization is run by an executive body comprising of President, Vice-President, General Secretary, Joint Secretary, Treasurer, Women Co-ordinator, Information & Publicity Secretary and four Representative of the different batches. Term of each post is for two years. The organization is run on the basis of an annual subscription and donation.

18 Students' Union - MITESU

The college has a Student Union named as Modern Institute of Teacher Education Student Union and popularly known as MITESU.

19 University Examination & Fee

Candidates appearing the final examinations of Nagaland University at the end of First Semester, Second Semester, Third Semester and Fourth Semester respectively will apply in prescribed forms through the office of MITE. Such applications will be accompanied by the requisite examination fee.

A candidate should get a minimum of :

- i) 40% marks in each theory paper.
- ii) 40% marks in practical papers.
- iii) 40% marks in aggregate
- iv) 40% marks in the internal assessment of each paper for passing the B.Ed. examination.
- v) 80% attendance for all the Course work and 90% attendance for school internship

Registration Fee, Enrolment Fee, Eligibility Fee and Examination Fee for the University will be paid separately as per university notifications in due course of time.

20 Water and Sanitation

The college has separate washrooms for male and female Student-Teachers and Staff.

There are four reservoirs containing around 20 kilolitres of water. There is a water harvesting system too.

The college has an advance technology of water purifier equipment which provides pure drinking water. A separate room for drinking water is maintained.

21 Auditorium

The college has a well-ventilated Auditorium with sufficient sitting area and well furnished equipments along with stage for multi-purpose programmes.

22 Conference Hall

The College has a well-furnished Conference Hall installed with Wi-Fi, white board and a projector for conducting official meetings for the Staff, Student-Teachers, Clubs, etc.

23 Communication and Information System

The college is up-to-date and equipped with advance technology in the field of communication between the Office, Teacher-Educators and the Student-Teachers. The Google Classroom, Google Meet, College email account for every individuals, e-SMS facility, WhatsApp Group and Wi-Fi are some of them. Any information can be passed to the Student-Teachers at any point of time through email, e-SMS or WhatsApp. The Student-Teachers can use Wi-Fi free of cost inside the premises for educational purposes.

24 Bus Facility

The college provides Bus Facility for the Student-Teachers coming from Kohima Municipal City area for their comfort and convenience.

25 Placement Cell

The Placement-Cell supports the graduating Student-Teachers to be placed in various educational Institutions depending on the choice and the availability of jobs. We are one of the first Institutes in the State to setup this cell since inception.
